- 11a. **Time of Delivery:** 14-45 Days ARO .
- 11b. **Expedited Delivery:** Next Day Delivery is Available. As Negotiated with the Customer Agency.
- 11c. **Overnight and 2-day delivery:** Contact Contractor.
- 11d. **Urgent Requirements:** Contact Contractor
12. **FOB Point:** Destination, **F-FSS-210-B DELIVERY—F.O.B. ORIGIN (APR 1984)** applies to Laser Systems, Scanners & Verifiers.
13. **Ordering Address:**

CodeSource LLC.
4115 Mesa Drive
Denton, TX 76207
Fax: (940) 484-7234
TIN : 61-1486038 CAGE Code : 45XE4

13a. Ordering procedures: For supplies and services, the ordering procedures and information on Blanket Purchase Agreements (BPA's) are found in Federal Acquisition Regulation (FAR) 8.405-3.

14. Payment address:

CodeSource LLC.
4115 Mesa Drive
Denton, TX 76207

15. Warranty provision: See attached ("*Factory Warranty Statements*").

Return Goods Policy: The CodeSource LLC cancellation and return policy on goods is as stated below:

1. Cancellation. Purchaser may cancel orders only upon reasonable advanced written notice and upon payment to Seller of Seller's cancellation charges which include, among other things, all costs and expenses incurred, and, to cover commitments made, by the Seller and a cancellation charge of 20% of the initial price quoted. Seller's determination of such termination charges shall be conclusive.

2. Returned Goods. Except as otherwise provided with respect to warranty defects, advance written permission to return Goods must be obtained from Seller. Such goods must be current, unused, catalogued Goods and must be shipped, transportation prepaid, to Seller's designated shipping point. Returns made without proper written permission will not be accepted by Seller. Credit for such returned Goods will be at the billing price or current price, whichever is lower, from which will be deducted an inspection and repacking charge and the cost of any reconditioning. Seller reserves the right to inspect the Goods prior to authorizing return. Each class of products has separate return privileges as listed below.

a. Laser Systems: Systems are non-returnable. Due to long lead times orders for laser systems must be cancelled within 2 weeks of placing the order with a 20% cancellation fee.

b. Bar code scanners & verifiers: 30 days from the date of purchase. All goods must comply with the return goods policy above and are subject to a 20% restocking fee.

c. CodeSource Labels: All laser engraved labels and tags are non-returnable.

d. Tape Products: 30 days from the date of purchase. All goods must comply with the return goods policy above and are subject to a 20% restocking fee.

16. Export Packaging: Handled per request.

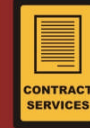

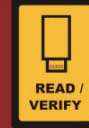

17. Terms & Conditions of Government Purchase Cards: CodeSource, LLC accepts above and below Micro-purchase threshold.

18. Data Universal Number System (DUNS) number: #198024486

19. Notification regarding registration in Central Contractor Registration (CCR) database:

Contractor is currently registered in CCR. CAGE Code : 45XE4

20. Participation in the Disaster Recovery Program: Yes.

CodeSource LLC Products

CodeSource LLC provides innovative solutions and products for part identification, product traceability, asset tracking, and inventory control. We specialize in labeling technologies and direct part marking for a wide variety of applications and industries. We can provide product/part traceability through your entire manufacturing or distribution process. Our extensive line of laser marking systems, barcode scanners and imagers, label printers, interface software, severe duty tags, tape products, and labels combine to meet the needs of the most demanding applications..

CodeSource LLC Services

Providing the best possible service to our customers is CodeSource's highest priority! If you don't have the time or resources to mark your products in-house, CodeSource provides an outsource marking service that will do it for you. We can mark directly on your parts, or on the new generation of laser-engraveable, adhesive tapes and anodized aluminum tags. In addition, our engineers are standing by to offer consultation, training and installation, and systems integration services.

CodeSource LLC Government Solutions

No matter the industry, the ability to trace a product from manufacture through its normal life cycle in the field is an extremely valuable tool. The products and services offered by CodeSource have been used to mark, identify, and track parts and products in both the private and public sectors, through a wide spectrum of fields.

- Product/asset tracking materials (labels & aluminum tags)
- Laser marking systems
- Handheld bar code and RFID readers, scanners and verifiers
- Tape products (laser-engravable, double sided, strapping, masking and general purpose tapes)

Factory Warranty Statements

CodeSource

CodeSource provides a warranty as a Third Party. The warranty for Third-Party Hardware and Third-Party Software shall run directly from the manufacturers of such hardware and software to Purchaser. *SELLER MAKES NOT WARRANTIES, EXPRESS or IMPLIED, WITH REGARD TO THIRD-PARTY HARDWARE OR THE THIRD-PARTY SOFTWARE. IF THIRD-PARTY MANUFACTURERS DO NOT OFFER WARRANTIES TO THE PURCHASER, THEN PURCHASER ACCEPTS THE THIRD-PARTY HARDWARE or SOFTWARE "AS IS".* The period of this warranty begins on the date that the Goods are shipped by the Seller to Purchaser and continues for a period that varies depending on the product and the manufacturer. Seller shall assist Purchaser in the processing of the Warranty Claim. The policies and procedures of the Third-Party manufacturers must be adhered to at the time of the claim.

CodeSource label products are warranted to be accurate representations of the customers' data and information as provided and approved by the customer. If required as part of the contract for sale we will provide a certificate of conformance. All of our UID jobs conform to MIL-STD130N (or current MIL-STD) and guaranteed to grade at ISO15415 grade "B" or better.

Unless otherwise specified in writing by tesa tape, tesa tape warrants that the Goods shall be free from defects in material and workmanship under normal use, service and Proper Storage Conditions for a period of one year following the date of shipment of such Goods. Notwithstanding the foregoing, tesa tape warrants that electrical and electronic products shall be free from defects in material and workmanship under normal use, service and Proper Storage Conditions for a period of six months following the date of shipment. For purposes of this statement, Proper Storage Conditions shall mean: (a) 68-72 degrees Fahrenheit (20-22 degrees Celsius); (b) no more than 50% relative humidity; (c) limited exposure to direct UV light sources; and (d) stored flat, if applicable. Notwithstanding the foregoing, tesa tape reputable tapes have a defined shelf life set forth for such Goods, and must be stored in accordance with the temperatures and relative humidity expressly provided by tesa tape for such Goods.

The warranty for the laser system including all optical and electro-optical components as well as laser accessories will be 12 months from the delivery. For the laser diode the warranty will be 24 month or 12.000 hours of operation, depending on which will be reached first.

Damages of the laser diode because of improper usage, e.g. electrostatic charge, are not included in the warranty.

Warranty services are performed by the contractor at the place of execution Nohra. Travel expenses, expenses for boarding and lodging for our employees which may rise for warranty work on site, as well as expenses for transport and custom clearance of spare parts are not included in the warranty offered by ACI and have to be paid additionally by the customer.

The marking software Magic Mark belonging to the laser marking system has been tested for all functions before delivery. ACI's obligation under the warranty is only valid for removing software errors within an appropriate period after delivery. For removing an error, it is necessary that the reported defect can be shown as to be reproducible by the customer.

All warranty claims expire in case of damage, destruction or manipulation of the seal of the device as well as in case the equipment has been operated outside the specified environmental conditions.

Trotec Laser, Inc. Limited Warranty Terms & Conditions, SP300

Laser Source	SP300 (24) months
Mechanical Elements	SP300 (36) months
Optical Components	(3) Months

The **Speedy 300** series has been designed for easy replacement of most components and the Buyer is responsible for installing the replacement parts identified below with telephone assistance from the Seller’s service technicians and the Seller’s local sales representative, if required. Defective parts must be returned to the Seller. Buyer must provide a credit card that will be charged if the defective parts are not returned within two weeks.

If repairs or replacements are made during the warranty period on the Buyers premises, the Seller will replace defective components free of charge and labor is provided free of charge, but the Buyer is responsible for the costs associated for Seller’s personnel traveling to and from the Seller’s closest North American service facility to the Buyers premises. However, if on-site warranty repairs are required within 90 days of installation there will no charge for transportation expenses. If warranty repairs are required after 90 days, but less than 180 days after installation, the Buyer will be responsible for 50% of the travel expenses.

Every attempt will be made to have reported issues corrected within 2 business days of notification when onsite repairs by seller’s personnel are not required or within 24 hours after arrival of seller’s personnel when onsite repairs are required.

If it is discovered that repairs were required due to negligence by the Buyer or failure to meet the installation requirements outlined in the Operation Manual or by any reason that is specifically prohibited, then the Buyer will be responsible to pay for the parts and labor at the Seller’s hourly rate at the time of the repair. The current labor rate is \$100/hour.

Limited Warranty Terms & Conditions Customer Replaceable Parts and Service Procedures

Replacement of the parts and the adjustment procedures listed below are considered to be the responsibility of the Buyer. Buyer is responsible for installing the replacement parts identified below with telephone assistance from the Seller’s service technicians and the Seller’s local sales representative, if required :

X, Y and Z Axis Motors	X-axis Module	Y-axis Module	Engraving Table
Rulers	Laser Tube	Power Supply	Acrylic Lid
Electronics	Belts	Fuse	Beam Alignment
Table Leveling	Software Adjustments	Ruler Adjustments.	Motor Brushes

The products from TBH are warranted to be free of defects in material and workmanship and to meet the published specifications for 2 years from the date of shipment (brush-motors up to 600 hours and brushless motors up to 5000 hours).

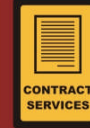

The opening of the motor unit or any repair activities done by none authorized persons will automatically lead to the cancellation of the warranty.

The device has been designed, tested and approved according to the appropriate European and National rules and regulations.

Our declaration of conformity is attached to this operator’s manual. No alterations or modifications of any kind may be performed on the device. Otherwise the warranty will be cancelled.

The unit may only be used as specified by these operating instructions and for the purpose given in them.

Consequential costs, loss and damages are not covered by the manufacturers responsibility if the unit has been used not in accordance to the given manual.

**BEST VALUE
BLANKET PURCHASE AGREEMENT
FEDERAL SUPPLY SCHEDULE**

(Insert Customer Name)

In the spirit of the Federal Acquisition Streamlining Act (ordering activity) and (Contractor) enter into a cooperative agreement to further reduce the administrative costs of acquiring commercial items from the General Services Administration (GSA) Federal Supply Schedule Contract(s) _____.

Federal Supply Schedule contract BPAs eliminate contracting and open market costs such as: search for sources; the development of technical documents, solicitations and the evaluation of offers. Teaming Arrangements are permitted with Federal Supply Schedule Contractors in accordance with Federal Acquisition Regulation (FAR) 9.6.

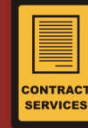

This BPA will further decrease costs, reduce paperwork, and save time by eliminating the need for repetitive, individual purchases from the schedule contract. The end result is to create a purchasing mechanism for the ordering activity that works better and costs less.

BPA NUMBER _____

**(CUSTOMER NAME)
BLANKET PURCHASE AGREEMENT**

Pursuant to GSA Federal Supply Schedule Contract Number(s) _____, Blanket Purchase Agreements, the Contractor agrees to the following terms of a Blanket Purchase Agreement (BPA) EXCLUSIVELY WITH (ordering activity):

(1) The following contract items can be ordered under this BPA. All orders placed against this BPA are subject to the terms and conditions of the contract, except as noted below:

MODEL NUMBER/PART NUMBER	*SPECIAL BPA DISCOUNT/PRICE
_____	_____
_____	_____
_____	_____

(2) Delivery:

DESTINATION	DELIVERY SCHEDULES / DATES
_____	_____
_____	_____
_____	_____

(3) The ordering activity estimates, but does not guarantee, that the volume of purchases through this agreement will be _____.

(4) This BPA does not obligate any funds.

(5) This BPA expires on _____ or at the end of the contract period, whichever is earlier.

(6) The following office(s) is hereby authorized to place orders under this BPA:

OFFICE	POINT OF CONTACT
_____	_____
_____	_____
_____	_____

(7) Orders will be placed against this BPA via Electronic Data Interchange (EDI), FAX, or paper.

(8) Unless otherwise agreed to, all deliveries under this BPA must be accompanied by delivery tickets or sales slips that must contain the following information as a minimum:

- (a) Name of Contractor;
- (b) Contract Number;
- (c) BPA Number;
- (d) Model Number or National Stock Number (NSN);
- (e) Purchase Order Number;
- (f) Date of Purchase;
- (g) Quantity, Unit Price, and Extension of Each Item (unit prices and extensions need not be shown when incompatible with the use of automated systems; provided, that the invoice is itemized to show the information); and
- (h) Date of Shipment.

(9) The requirements of a proper invoice are specified in the Federal Supply Schedule contract. Invoices will be submitted to the address specified within the purchase order transmission issued against this BPA.

(10) The terms and conditions included in this BPA apply to all purchases made pursuant to it. In the event of an inconsistency between the provisions of this BPA and the Contractor's invoice, the provisions of this BPA will take precedence.

BASIC GUIDELINES FOR USING “CONTRACTOR TEAM ARRANGEMENTS”

Federal Supply Schedule Contractors may use “Contractor Team Arrangements” (see FAR 9.6) to provide solutions when responding to a ordering activity requirements.

These Team Arrangements can be included under a Blanket Purchase Agreement (BPA). BPAs are permitted under all Federal Supply Schedule contracts.

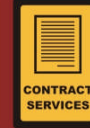

Orders under a Team Arrangement are subject to terms and conditions or the Federal Supply Schedule Contract.

Participation in a Team Arrangement is limited to Federal Supply Schedule Contractors.

Customers should refer to FAR 9.6 for specific details on Team Arrangements.

Here is a general outline on how it works:

- The customer identifies their requirements.
- Federal Supply Schedule Contractors may individually meet the customers needs, or -
- Federal Supply Schedule Contractors may individually submit a Schedules “Team Solution” to meet the customer’s requirement.
- Customers make a best value selection.

USA COMMITMENT TO PROMOTE SMALL BUSINESS PARTICIPATION PROCUREMENT PROGRAMS

PREAMBLE

(Name of Company) provides commercial products and services to ordering activities. We are committed to promoting participation of small, small disadvantaged and women-owned small businesses in our contracts. We pledge to provide opportunities to the small business community through reselling opportunities, mentor-protégé programs, joint ventures, teaming arrangements, and subcontracting.

COMMITMENT

To actively seek and partner with small businesses.

To identify, qualify, mentor and develop small, small disadvantaged and women-owned small businesses by purchasing from these businesses whenever practical.

To develop and promote company policy initiatives that demonstrate our support for awarding contracts and subcontracts to small business concerns.

To undertake significant efforts to determine the potential of small, small disadvantaged and women-owned small business to supply products and services to our company.

To insure procurement opportunities are designed to permit the maximum possible participation of small, small disadvantaged, and women-owned small businesses.

To attend business opportunity workshops, minority business enterprise seminars, trade fairs, procurement conferences, etc., to identify and increase small businesses with whom to partner.

To publicize in our marketing publications our interest in meeting small businesses that may be interested in subcontracting opportunities.

We signify our commitment to work in partnership with small, small disadvantaged and women-owned small businesses to promote and increase their participation in ordering activity contracts.

To accelerate potential opportunities please contact:
